There have been no material changes since the January, 2015 update

March, 2017

There have been no material changes since the March, 2016 update

January, 2018

Added language to the Advisory Business Section, the Fees & Compensation Section, and the Code of Ethics Section confirming that Financial Solutions holds itself to a fiduciary standard.

June, 2018

Revised the Fees & Compensation Section to reflect an increase of the hourly fee to \$225 from \$200 effective June 1, 2018

June, 2018

The previous version incorrectly indicated that the Fees & Compensation Section was revised in June 2019 (see note immediately above this one). This version corrects that date to June, 2018 when the revisions actually occurred

June, 2018

Revised the Fees & Compensation Section to reflect an increase in the rate used for hourly engagements to \$250/hour (from \$225/hour) for first time clients. The \$250/hour rate also applies for returning clients if more than two years have passed since their previous engagement. For clients who return within two years of their previous engagement, the hourly rate is \$225/hour.

January, 2019

The Fees & Compensation section was modified to include a reference to the Young Saver’s Rate of \$150/hour which may be available at advisor’s discretion.

February, 2021

No material changes from this review. Updated the date on page one to February 2021

Form ADV Part 2, Financial Solutions LLC

Advisory Business

Financial Solutions LLC (“Financial Solutions”) was established by Paul Dolce, CFP® in 2006. Paul is the President and sole owner of the firm.

Financial Solutions provides fee-only, financial planning and investment advisory services to its clients on an hourly or a fixed fee basis. In essence, the term “fee-only” means that we do not sell financial products of any kind. Financial Solutions holds itself to a fiduciary standard, which means the firm and its associates will act in the utmost good faith, performing in a manner believed to be in the best interests of its clients.

Financial Solutions provides comprehensive financial planning services. As such, we do not specialize in one particular type of advice. Instead, we advise on a wide variety of financial issues. Our advice is tailored to meet the needs each individual client, depending on the type of help that the client is seeking, and each client’s unique circumstance.

A few examples of issues that we most frequently help our clients with include portfolio design, retirement planning, cash flow, debt management, IRAs, 401ks, 403bs, college funding, estate planning, taxes, insurance, asset allocation, and investment selection.

Financial Solutions does not take custody of client funds or securities, and we do not charge asset management or performance-related fees. We also do not participate in wrap fee programs.

Fees & Compensation

Financial Solutions LLC provides fee-only, financial planning and investment advisory services to clients on an hourly basis or a fixed-fee basis. Financial Solutions holds itself to a fiduciary standard, which means the firm and its associates will act in the utmost good faith, performing in a manner believed to be in the best interests of its clients.

Financial Solutions is compensated on a fee-only basis. By fee-only, we mean that the fee that our client pays to us is our sole source of compensation. We do not sell financial products of any kind, and we do not receive commissions or other hidden forms of payment

We provide our clients with an accurate estimate of the fee amount before they commit to working with us. We also document the fee amount in our Engagement Agreements. Payment is normally due at the end of the meeting in which we present our analysis and findings to the client. For Retainer Engagements (described in more detail below), the fee is paid in installments during the term of the agreement.

We never deduct fees from our clients’ accounts; fees are paid by check or in cash.

For Hourly Engagements, our hourly rate is \$250/hour. For returning clients, who return within two years of their previous meeting, our hourly rate is \$225. We bill for the time that we spend analyzing the client’s data, plus the time that we meet with client to present and discuss our findings. At advisor’s

Form ADV Part 2, Financial Solutions LLC

discretion, a Young Savers rate of \$150/hour may be available for qualifying clients (typically under age 36 with relatively simple financial situations)

For Fixed Fee Engagements, the fee amount depends on the nature and complexity of the engagement. The fee for fixed fee engagements is disclosed to the client before the engagement commences.

Our most popular Fixed-Fee engagement is the “Financial Fitness Checkup.” This is an interactive review of the client’s financial situation, with specific recommendations for improvement.

The Checkup identifies strengths and weaknesses in the client’s financial plan, and it provides specific recommendations that typically focus on investments, taxes, debt, savings, insurance, and estate planning. Other issues that can affect the client’s long-term and immediate financial health will also be discussed, depending on each client’s unique situation. The Financial Fitness Checkup focuses on financial planning issues that are most important to the client.

The fee for the Financial Fitness Checkup typically ranges from \$900 - \$1,900, sometimes more, sometimes less, depending on the complexity of the client’s situation. We may offer “young savers” pricing for the Financial Fitness Checkup for clients who are under age 35 and have less than \$100,000 of investible assets.

Our other fixed-fee engagement is the Retainer Engagement. Retainer engagements are longer-term (three to twelve months) engagements, where the fee is fixed for the term, and paid by the client in two to four installments during the term of the agreement. The fee and the associated payment terms for these engagements are disclosed to the client before the engagement commences.

For Retainer Engagements, we meet periodically with the client, during the retainer term, to review their progress, and to help as needed with implementation of some components of their financial plan. The amount of the retainer fee depends upon the complexity and the length of the engagement.

In connection with using our services, clients may also incur separate fees or expenses associated with the operation of mutual funds and/or exchange traded funds (ETFs). The client may also incur separate transaction costs or administration fees from brokerage firms and other custodians or service providers.

We are not affiliated with any of these brokers, institutions, and service providers, and we do not receive any portion of their fees. We do not receive commissions or third party payments of any kind from the sale of securities or other investment or financial products. The only compensation that we receive is in the form of fees paid directly to us by our clients.

Performance-Based Fees and Side by Side Management

Not applicable. Financial Solutions LLC does not charge performance-based fees of any kind (performance-based fees are fees that are based on a share of the capital gains on or the capital appreciation of a client’s assets).

Form ADV Part 2, Financial Solutions LLC

Types of Clients

Financial Solutions LLC provides financial planning services primarily to individuals and families. We have no minimum asset or income requirements, and we have no minimum account size.

Methods of Analysis, Investment Strategies and Risk of Loss

If Financial Solutions LLC is engaged to provide investment advice, we first gather information about the client's personal financial situation to determine the client's specific needs, objectives, and tolerance for risk.

Using this information, and our best judgment, we recommend an appropriate target asset allocation for the client. This allocation is designed to help the client achieve their overall financial objectives and goals while taking into account the client's tolerance for risk.

We believe that the appropriate allocation of investments across diverse investment categories (in simple terms, stocks, bonds and cash) is the primary determinant of investment returns and is critical to the long-term success of a client's financial objectives.

Strategies involving frequent trading can negatively affect investment performance. Consequently, we employ a fundamental, long-term, buy-and-hold philosophy which focuses on a passive investing strategy using index funds and/or Exchange Traded Funds to minimize investment costs.

Using this approach, we recommend specific investments to fill out the recommended asset allocation across the client's overall investment portfolio. We also recommend that the portfolio be maintained by periodic rebalancing, typically every twelve months.

While we believe that our investment strategy is designed to produce the highest return for a given level of risk, there can be no guarantee that an investment objective or goal will be achieved. Some investment decisions recommended by us may result in loss, which may include the original principal amount invested. The client must be able to bear the various risks involved in investing, which may include market risk, liquidity risk, interest rate risk, currency risk, political risk, and others.

Disciplinary Information

Neither Financial Solutions LLC nor any of its personnel have been the subject of a reportable legal or disciplinary event. We do not have any events pending within the previous ten years or beyond ten years.

Other Financial Industry Activities and Affiliations

Neither Financial Solutions LLC, nor any of its personnel are affiliated with or maintain a material relationship with another financial industry entity. We do not have current or pending affiliations with securities broker-dealers/registered representatives, futures commission merchants, commodity pool operators, or commodity trading advisers.

Form ADV Part 2, Financial Solutions LLC

As a service to our clients we may, from time to time, refer clients to other investment advisory firms or other professionals such as CPAs or attorneys. Financial Solutions LLC does not have any arrangements with, and does not receive referral fees from, any other advisors, individuals or companies.

Paul Dolce has the following relationships with The Ohio State University (OSU):

- Paul has taught classes in OSU's CFP program on an adjunct basis.
- Paul is the advisor for OSU's Student Financial Planning Association
- Paul participates as a mentor in OSU's Fisher College MBA Mentorship Program and in OSU's Young Alumni Academy

Paul Dolce is a member of the following organizations:

- The National Association of Personal Financial Advisors (NAPFA)
- Financial Planning Association
- Garrett Planning Network
- Worthington Estate Planning Counsel

None of these affiliations or memberships creates a conflict of interest with the firm's financial planning practice.

Code of Ethics, Participation or Interest in Client Transactions and Personal Trading

Financial Solutions holds itself to a fiduciary standard, which means the firm and its associates will act in the utmost good faith, performing in a manner believed to be in the best interests of its clients.

As a Certified Financial Planner™, Paul Dolce follows the code of ethics and professional responsibility set out in the CFP Board's "Standards of Professional Conduct." The Standards prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.

As a NAPFA (National Association of Personal Financial Advisors) Registered Investment Advisor, Paul also adheres to the Code of Ethics set out by NAPFA. These codes are designed to ensure objectivity, confidentiality, integrity, honesty, full disclosure, and other fairness factors when working with all clients.

At times Financial Solutions LLC personnel may invest in the same securities that we recommend to our clients. These are large, publicly traded securities, such as mutual funds or ETFs. As such, this common ownership does not present a conflict of interest for our clients.

The timing of securities purchases or sales by Financial Solutions LLC personnel may, at times, coincide with the timing of our purchase/sale recommendations to our clients. Because these are very large publicly traded securities, this does not reflect a conflict of interest for our clients.

Brokerage Practices

Research and Other Soft-Dollar Benefits – Not applicable – We do not receive soft-dollar benefits.

Client Referrals – Not applicable - We do not receive client referrals from broker-dealers, and we do not recommend broker-dealers based on client referrals.

Directed Brokerage – Not applicable - We do not ask clients to use broker-dealers to execute transactions.

Trade Aggregation – Not applicable – We do not execute trades, as such we do not aggregate trades.

Review of Accounts

Financial Fitness Checkups and Hourly Engagements terminate at the conclusion of the meeting in which we present our findings to the client (please see the Fees & Compensation section for a description of these engagements). We frequently answer follow-up questions and assist where necessary after the engagement ends. However, formal follow-up reviews of clients' accounts and/or financial plans are initiated by clients when they are ready to do so. We typically suggest that clients should return every twelve months for these updates.

For Retainer Engagements, periodic account reviews and follow-up meetings are as mutually arranged with the client for each engagement.

Client Referrals and Other Compensation

We do not receive compensation of any kind from anyone other than our clients, and we do not compensate others for client referrals.

Custody

At no time do we take custody of our clients' funds or securities. Consequently, we do not prepare account statements. Clients maintain and control their own accounts with unaffiliated custodians such as banks, brokerage firms or mutual fund companies. Clients receive their account statements directly from these custodians.

Investment Discretion

Not applicable. We do not exercise discretionary authority over clients' accounts.

Voting Client Securities

We do not, and will not, accept authority to vote client securities. Clients receive proxies and solicitations directly from the custodians of their securities.

*CFP® professionals must develop their theoretical and practical financial planning knowledge by completing a comprehensive course of study at a college or university offering a financial planning curriculum approved by the CFP Board. Other options for satisfying the education component include submitting a transcript review or previous financial planning-related course work to the CFP Board for review and credit, or showing the attainment of certain professional designations or academic degrees.

CFP® practitioners must pass a comprehensive two-day, 10-hour CFP® Certification Examination that tests their ability to apply financial planning knowledge in an integrated format. Based on regular

Form ADV Part 2, Financial Solutions LLC

research of what planners do, the exam covers the financial planning process, tax planning, employee benefits and retirement planning, estate planning, investment management and insurance.

CFP® professionals must have three years minimum experience in the financial planning process prior to earning the right to use the CFP® certification marks. As a result, CFP® practitioners possess financial counseling skills in addition to financial planning knowledge.

As a final step to certification, CFP® practitioners agree to abide by a strict code of professional conduct, known as CFP Board's Code of Ethics and Professional Responsibility, which sets forth their ethical responsibilities to the public, clients and employers. CFP Board also performs a background check during this process, and each individual must disclose any investigations or legal proceedings related to their professional or business conduct.

The renewal requirements include submitting a properly completed certification application (every two years), and completing 30 hours of continuing education (CE) accepted by CFP Board every two years.
